Subject: HUMAN RESOURCES ISSUES OF SINDH MASS TRANSIT AUTHORITY AND VIOLATION OF SECTION 14 (2) OF THE SINDH MASS TRANSIT ACT 2014

It is hereby submitted that in accordance with Section 14 (2) there shall be a board meeting at least once in three months period. Furthermore it was decided in the first board meeting that there shall be frequent board meetings in order to expedite the pending issues.

However, there is a complete violation of Section 14 (2) to conduct a board meeting. Subject: INFRASTRUCTURE DEVELOPMENT TO ENSURE TRAFFIC FLOW AND REQUIREMENT OF TRAFFIC PLAZA

It is hereby submitted that the issues of traffic in Sukkur are increasing day by day and in order to address the same there is an immediate need of Parking Plaza, development of alternate route for traffic, Underpasses, Overhead Bridges, a properly planned system for public transport through BRT and a long term traffic plan minimum for (20) years.

It is submitted that recently in October / November 2018, I have attended an International Leaders Visitors Program (an official program of United States of America) during which the above mentioned concerns were discussed by myself with the delegation of World Bank at meeting with them in their Headquarter situated in Washington DC and the World Bank assured their full support and cooperation to address the same.

In order to follow-up I met with the World Banks Representative at their Headquarter of South Asia in United Arab Emirates (U.A.E) on 05<sup>th</sup> Dec 2018 in which it was informed to me that, if the World Bank receive a formal request through Economic Affair Division, Government of Pakistan, the World Bank is ready to support and cooperate with long term finance facility on interest free basis.

In the interest of Public at large you are hereby requested to coordinate with Honourable Chief Minister Sindh and a formal request for Infrastructure Development in Transport / Traffic Sector may kindly be sent to the World Bank through Economic Affair Division, Government of Pakistan Islamabad.

The other Divisional Headquarter of Sindh can also be benefited from the development in Transport / Traffic Sector.

In my opinion a long term credit facility of (100) Million US Dollar to (150) Million US Dollar may be requested for a term of 25 to 35 years for Transport / Traffic Infrastructure Development.

However, definitely the decision making authority rests with the Government of Sindh and they can ascertain the amount to be requested along with the term of financing.

Request is made in the interest of public at large and looking forward for your positive response.
